TERMS AND CONDITIONS

1. Grant of Permission.

Permission is hereby granted, free of charge, to you under this License for the term of copyright to do the following:

- (i) to use, perform, run or reproduce the Software in copies for personal and non-commercial purpose;
- (ii) to modify, alter, merge, adapt, translate, or transform the Software and develop a derivative work based upon the Software for personal and non-commercial purpose; and
- (iii) to convey, assign, distribute or publish copies of the Software or its derivative works developed by you, for non-commercial purpose, free of charge;

Provided that, you fully comply with the terms of this License and always include this License or an appropriate and prominent notice stating that it is governed by this License and how to obtain a copy of this License, in all copies or substantial portion of the Software or its derivative

works to require your successors, assignees, transferees or other recipients to fully comply with this License. This License also acknowledges your rights of fair use or other equivalents, as provided by applicable copyright law. However, you are not allowed to charge any price for each copy of the Software or its derivative works that you convey, assign or distribute, unless you have obtained another permission or license by contacting the Laboratory as first written above.

2. Limitation of License.

The permissions granted in Section 1 are the only rights granted to you under this License. No additional rights or licenses will be implied herein. Once you obtain or use the copies of the Software, its derivative works or any portion thereof, it is deemed that you have acknowledged and agreed to comply with this License. Notwithstanding any other provisions herein, this License does not grant any rights in the patent, trademarks, service marks, or trade secret of the Laboratory or other developers of the Software or its derivative works or any portion thereof.

3. License Notices.

It is understood by you that the Software or its derivative works you obtain may contain other open source software which is bound by other license terms. In addition to this License, you shall comply such license terms when you use or utilize the Software, its derivative works or any portions thereof as well. You may not remove, alter or conceal this License, other license terms or any license notices (including, but not limited to, copyright notices, disclaimers of warranty, or limitations of liability) contained in the Software, its derivative works or any portions thereof.

4. Termination.

The permissions and rights granted under this License will terminate automatically if you fail to comply with any of its terms or other license terms contained in the Software, its derivative work or any portion thereof. If you initiate litigation or claim against the Laboratory or any developer of the Software, its derivative work or any portion thereof by asserting an infringement claim alleging that the Software, its derivative work or any portion thereof directly or indirectly infringes any patent, copyright, trade secret or other intellectual property rights, then the rights and permission granted to you under this License shall terminate immediately. Sections 2 to 9 shall survive the termination of this License.

5. Disclaimer of Warranty.
